2. If you have any pictures to bring in, please do so and we can confirm cake styles with a pastry chef.
3. Please make an appointment for your order between the hours of 9am – 2pm Monday to Friday. Weekends can be very hectic, therefore we can only take appointments between the hours of 8am – 1pm Saturdays and Sundays 8am – 11 am. If you do not make an appointment there may be a waiting period since we only have one cake expert allocated to taking our special orders. It is best to also stick to these hours as our pastry chefs are available to approve all orders to ensure that you receive your cake the best and most simplest way possible.
