

PRESS RELEASE
MAY 2010

BRUNETTI OPENS ITS FIRST INTERNATIONAL CAFÉ

Brunetti is set to open its first café outside of Australia on the 12th of May in Dubai.

Designed by Design Inc. a Melbourne based architectural firm, Brunetti in Dubai occupies a prime position on the ground floor opposite the aquarium in the Dubai Mall.

Customers will be able to enjoy the vast range of Brunetti's delicious products from coffee, cakes, to ice-cream, chocolate and savoury products. Located in front of the world's largest aquarium window, all of the products will be manufactured fresh on site on a daily basis.

The project has been in the making for over one year and the Brunetti team have been working hard on the development to ensure that the quality and consistency of product and service remains the same.

A café in Singapore situated on Sentosa Island will follow in the second half of 2010.
